HOPI EAR CANDLING TREATMENT DEVELOPS THE KNOWLEDGE AND SKILLS THAT LEARNERS NEED TO PERFORM AS PROFESSIONALS

The VTCT Level 2 Award in Thermal Auricular Therapy is a specialist vocationally related qualification.

This qualification will develop the knowledge and skills that learners need to perform ear candling treatments on clients.

62 learning hours.

The qualification is most suited to learners who wish to progress towards a career as a complementary therapist or beauty therapist.

This qualification also provides suitable progression opportunities to other specialist VTCT vocationally related level 2 awards.
